

Biography

Malena Jönsson

CFO

Malena Jönsson joined Telepo in 2011 as CFO with responsibility for Finance and Legal.

She has more than 20 years experience in the audit & accounting field from a variety of businesses ranging from start-ups to established global organisations.

She spent the previous five years at Stronghold Invest AB as CFO, where she had a strategic company-wide responsibility within the finance area, which included an active participation both in the parent company's management team as well as the group management team.

Malena has a degree in accounting and finance from Stockholm University, Sweden
